McKnight Report

A new program to help your special needs students find, adapt, and advance on the job and learn to live independently

ENTERING THE WORLD OF WORK

by Grady Kimbrell
and Ben S. Vineyard

This new program is the outgrowth of a survey of special education teachers and supervisors as to the specific needs of educable mentally retarded, learning disabled, and other handicapped boys and girls in looking for jobs, adapting to the work environment, advancing on the job, and learning adult responsibilities.
